The ITB Hotelcamp, powered by the Hospitality Industry Club, is an open workshop in a Barcamp-Style. For the second year, hoteliers discuss current technical challenges with experts and providers of hotel software.

The most important thing is that you are in a good mood and enjoy communicating. In the best case you have a current topic, which occupies you and your colleagues. Questions, ideas, suggestions: all topics are allowed, as long as they help you leave this event with more knowledge. So write it down and bring it with you. Otherwise – go with the flow – with us, it’s a relaxed flow, so wear the clothes you feel comfortable in.
