

Daniel Zelling

About Hospitality Industry Club

The Hospitality Industry Club is a community of service providers in the hotel sector. We got together to present hoteliers with innovative solutions, technologies and ideas in a relaxed yet inspiring atmosphere. Should you expect a classic sales event with product presentations, our events are the wrong place. We do it bar camp style. You can meet the Hospitality Industry Club members around Europe during our local EveningCamps or at major events such as ITB Berlin.
