[Prof. Dr. Claudia Brözel](#), Lecturer, University of Sustainable Development Eberswalde/University of Sustainable Development / Department of Sustainable Economy/Faculty of Sustainable Business Administration

Events

10:30 - 11:00

Data Instead Of Surveys: How To Analyse The Travel Market In The Digital Age

- What are the travel trends in 2020?
- What do travel customers actually think about a certain destination, brand or product?
- Which marketing campaigns will be successful
- It's all in the data – if you know how to use it

Speaker:

[Toni Stork](#), Founder, OMMAX

11:15 - 11:45

The Future Of Package Travel

- A technical view on the tour operator business and on the technological evolution of dynamic packaging and data analytics
- What is the future technical setup for tour operators to meet the increasingly individual needs of travelers?
- What possibilities do data analytics offer tour operators to manage the larger data volumes and increasing complexity?
- How must the travel distribution product portfolio (OTAs, metasearch and more) evolve to become more individual and personalized?

Speaker:

[Jan Gerlach](#), CEO, Peakwork
