

Jan Gerlach

Jan Gerlach is CEO of Peakwork, focused on strategic development, sales and global expansion. Prior to his appointment in November 2017, Jan was Chief Sales & Marketing Officer, responsible for the distribution of Peakwork solutions and customer implementation. Jan joined the team in August 2016 as Vice President Project and Key Account Management.

Jan Gerlach has spent more than 10 years in various management positions at Metro Cash and Carry HQ, in particular in the field of category management and marketing. Previously, he was a strategy consultant at OC&C Strategy Consultants. He graduated in Business Administration at the WHU in Vallendar, the US and France.
